Subject: PA/CNP MCG Specialist Pricing no longer being applied

Hello everyone!

Just wanted you to know that moving forward, BCN will no longer apply withholds on **specialist mid-level claims**, such as PA's and CNP's.

For now, we will not be removing withholds on mid-level specialists who currently have that pricing, but this will be re-visited later in the year. Any currently submitted MCG Endorsement forms are being denied and returned. Going forward, MCGs should not send in new MCG Endorsement forms to apply a withhold to a mid-level's acting as a specialist.

FYI - We are still collecting withholds on CNP's who are working as a PCP.

Let me know if you have questions. Thanks!
