### Testing Locations

- **Henry Ford Allegiance:** Call 517-205-6100 for intake and direction from there
- **IHA Cares Urgent Care Locations and Screening:** Available at <https://ihacares.com/resources/covid19/>
- **Michigan Medicine:** Call 734-763-6336 option 1 for intake and direction from there. **Note:** Patients *do not need* to have a Michigan Medicine PCP. They need to have some level of established care within the last two years to use the service. They must first call the COVID-19 Hotline for a referral before going to the drive-through testing site
